Make him stay! Great teacher and makes you pay attention whether you want to or not, but is really chill. ~~Teaching~~ Teaching style is different but good. Really gets you into a conversation every once in a while.

The instructor provided amazing instruction on great learning environments

The best teacher I've had since I've been here.

He is knowledgeable but cannot teach people

I loved this teacher, we had the
best discussions and debates.
Great teacher.

Great teacher. Taught in a way that made
sense to today's world's issues.

You are awesome!!!

Great teacher

Mr. Atkinson is awesome!

Best teacher when it comes to debates, great at discussing tough political and moral topics.

Don't think just because all the same boxes are checked means I was lazy. This guy was great.

- Too bad he won't be coming back next semester.
- Provides a unique perspective that isn't usually offered here on this campus.

Instructor presents some material in an abstract, confusing manner but is very qualified in this academic area and presents interesting insights.

Open thinking encouraged! Very re-freshing at this school.

Policy is a framework, & Atkinson is one of the best at this.

everyone's opinion, questions & comments are accepted, addressed, no one is made to feel 'demeaned'. Very accepting, great environment to learn & grow.
